April 2020

INFORMATION FROM REDENHALL WITH HARLESTON TOWN COUNCIL

Due to the current Coronavirus crisis, town and parish councils across the United Kingdom have suspended their meetings as directed by Government guidelines on crowd gathering and social distancing.

Redenhall with Harleston Town Council have complied with this and will be holding meetings via video conferencing when required but they may not follow the meetings calendar on the website during this time. To keep up to date with meetings please have a look at the Harleston Town Council website for further information, <http://www.harlestantowncouncil.co.uk> or if you wanted to join a video conference to hear the discussions, please let me know on the number below.

We are working very closely with Cllr. Lizzy Pegg and the Harleston Kindness Help Hub to ensure that they have everything they need to continue the fantastic work they are doing in helping those in self-isolation, the elderly and vulnerable.

The Harleston Kindness Help Hub website link is <https://www.harlestons-kindness.org> or you can find up to date information on their page on Facebook.

The Town Council office is closed until further notice, as staff are working from home, but you can contact me, Lynda Ling, on 01379 854519 and the call will be re-directed to my mobile phone, or email harlestantc@harlestantowncouncil.co.uk and someone will be respond as soon as possible.

The council's maintenance staff are classed as key workers and are still working hard to keep on top of necessary works, i.e. keeping the streets of Harleston clean, cutting the grass on the recreation grounds and ensuring that the cemetery is neat and tidy, to name but a few jobs. If you need to speak to one of our valued maintenance workers, please adhere to the 2m social distancing rules as they themselves will be doing.

These are unprecedented times we are faced with and the town council will do their best to ensure that we continue looking after the town in the best way possible but more importantly, please listen to Government advice, adhere to the social distancing rules currently in place and only make **ESSENTIAL** journeys, **STAY HOME, PROTECT THE NHS, SAVE LIVES!!**
