

Roadworks meeting with Highways

Wednesday 22nd April, 3-5pm
The Swan Hotel, Harleston

Come to an informal, drop-in session to hear from Norfolk County Council's Highways team about the roadworks the town has experienced over the past few months, how roadworks are planned, and works are being planned in the near future.

There will also be an opportunity to ask the Highways team any questions you have about the roadworks.

Feel free to drop in to the meeting at a time convenient to you. The Highways team will be presenting at 3.30pm.

If you can't attend the meeting but have questions for the Highways team, please email enquiries@harleston-tc.gov.uk by 21 April.
