Ref: Old Post Office Court Harleston Residential Access
By Cllr Joseph Kerrison & Redenhall with Harleston Town Council

Date: 04/11/2026

Norfolk County Council Member for East Depwade Division and Deputy Cabinet Member for Highways and Transport, Cllr Joseph Kerrison, and Redenhall with Harleston Town Council are pleased to issue a joint statement to report that full agreement has been reached for the installation of bollards at the entrance of Old Post Office Court, Harleston.

This comes after a number of years of grievances from the residents of Old Post Office Court who have found on numerous occasions that access to their properties has been blocked by inconsiderate parking across their access point. Reflective bollards will be installed in the coming weeks to prevent vehicle blockage of the entrance and ensure regular access is maintained in and out of Old Post Office Court.

For residents who are concerned about how this will affect the Disabled Parking Bay in the vicinity; we have been assured through swept path analysis that the ability to park here will remain unaffected and vehicle users should consider the most appropriate parking method to enter the bay. This particular spot remains for the use of Blue Badge holders only.

Norfolk County Council and Redenhall with Harleston Town Council are delighted for this outcome at Old Post Office Court, with a commitment to further work together to achieve an improved parking situation across Harleston.

Yours sincerely,

Councillor Joseph Kerrison
Deputy Cabinet Member for Highways & Transport
East Depwade Division
